INCLEMENT WEATHER

For the most part, we want our students to enjoy playing outdoors before school, during both recesses, and the noon hour. On rainy days, we allow students to come into the school upon their arrival and remain indoors during all breaks. In the winter, we use -30 degrees Celsius as our cut off to remain indoors. If the temperature and/or wind-chill in combination with the temperature exceed -30, then all students are permitted in the school in the morning and during break times. **We do expect that all students be dressed appropriately for the weather, as there are many cold days that students are expected to be outdoors.**

PEDESTRIAN SAFETY

Our parking lots are out of bounds for students. We urge parents to support us in this safety endeavor by dropping off their children on the west side of the school on Olive Diefenbaker Drive; on Bradbury Drive, east of the Special Needs bus zone and between Gisi Road and Olive Diefenbaker Drive. We encourage the children to cross all streets in a safe manner by crossing at the corner or at cross walks. Teacher supervision is also provided at our major crosswalks. The Community Club rink parking lot is the bus pick up zone after school for our French Immersion busses, and a convenient place for French Immersion parents to meet their children for pick up. We must respect the residents that border the school. Please refrain from turning around in driveways, as this is disruptive to the homeowners.

Just a reminder to all Vickers' families to phone 306-922-6446 or text/email vkattendance@srsd119.ca all absences to the office. To text, enter the email where you would normally add a phone number, create a message, and then send! Please always remember to let us know your students full name! This will eliminate unnecessary phone calls home.
