Important information about the school bus

Any students needing the school bus this fall **must** be registered. It only takes 2 to 3 minutes and is very easy to do!

Registering your child for busing is necessary, but doesn't have to be done every year. Please only re-register if the student's information (such as school, address or contact info) is changing. Please register if you are not sure if you already have.

Registering online is quick and easy. Doing so now will ensure your child is placed on the proper bus for the first day of school. Not registering on time could delay having your child assigned a bus several days into the new school year.

The direct link to register is <https://www3.srsd119.ca/busgarage/transport/request.php> or you can simply type "Sask Rivers School Division" or "SRSD119" in a search engine (we recommend Google) and we will surely pop up. Look for "Transportation Requests" in the green band towards the bottom of any of our web pages.

If you have any question please contact your school or the Transportation Department at 306 763-2323.

Thank you,
Ryan Bruce, Manager of Transportation

Hello! My name is Mrs. Jennie Green and I will be the new Principal of École Vickers Public School for the 2018-19 school year. I have been an educator for the past 25 years with 13 of them as an in school administrator. I am a life-long learner and am passionate about teaching and building strong relationships with the staff, students, and parents in the community. I truly believe that all students can learn and achieve success. I am excited to start the new school year and look forward to getting to know the students and families at Vickers. Introducing the New Vice-Principal for 2018-19 . . .

Hello Everyone,

My name is Kevin Tait and I am super excited about joining Ecole Vickers Public School. I have been in the education profession for over 20 years, with the last eight as a vice principal. I have spent most of my career in kindergarten to grade 12 schools. This has allowed me to experience all parts of K-12 education.

I have heard that Ecole Vickers has great students and staff and I cannot wait to be a part of such a positive team. I am excited about the different experiences that Ecole Vickers will provide me with such as the French program and the developmental education program. Ecole Vickers has a great extracurricular program with all of their different clubs and teams, which I am looking forward to being involved.

I am a firm believer in creating a positive learning environment for all students. Our division has provided many initiatives which benefit all students and I believe as a school we need to take full advantage of them. I also believe in communication and positive relationships. Please feel free to contact me at Ecole Vickers when you have a concern, issue or a celebration for our school in the fall. I hope everyone has a great summer and we will see you in the fall.

Thanks,

Kevin Tait

The Emergency Management & Fire Safety Branch (EMFSB) of the Government of Saskatchewan and Suncorp state that we can no longer have microwave ovens in the classrooms or in hallways. We encourage those students who enjoy a warm lunch to bring food in a thermos with warm food in it. We have fresh pizza sold in our canteen every day as well as many other lunch items and we will continue to have several hot lunch fundraisers throughout the year.

We have also included a link which gives lots of lunch ideas when there are no microwaves at school. Check it out at <https://www.albertahealthservices.ca/assets/info/nutrition/if-nfs-no-microwave-lunches.pdf>

Thank you for your support and co-operation!

Thank you from the Old Man ...

It has been an interesting year for the students, staff and community of École Vickers Public School and an interesting year personally as the existing grade 8 students move on to high school. I had the opportunity to arrive at Vickers the same year as they started kindergarten and we will be leaving Vickers at the same time.

École Vickers Public School is a very successful school with very successful students. The students are successful at academics in both English and French. Our Developmental Education Program is exemplary. Our students achieve great success in all extra-curricular activities. Our teams have been very competitive again this year and were extremely successful in sports and Physical Education. Equally, our bands, choir and hand bells groups continue to set a high standard for fine arts excellence.

The thread that so tightly binds the students and staff together and creates the nurturing “family atmosphere” at École Vickers Public School is the community. The School Community Council, the Before and After School Program and the tremendous parental support all contribute to making École Vickers Public School a most wondrous place to learn and grow.

Merci pour une très bonne année! Bonne chance aux élèves qui quittent notre école pour aller à l'école secondaire et bienvenue aux élèves qui vont nous rejoindre à la maternelle l'année prochaine.

Thank you for a very successful year, good luck to the students who are leaving Vickers to attend high school next year and welcome to the new students who will be joining us in kindergarten.

Thank you,

Darcy Sander
Old Man

PEDESTRIAN SAFETY

Our parking lots are out of bounds for students. We urge parents to support us in this safety endeavor by dropping off their children on the west side of the school on Olive Diefenbaker Drive; on Bradbury Drive, east of the Special Needs bus zone and between Gisi Road and Olive Diefenbaker Drive. We encourage the children to cross all streets in a safe manner by crossing at the corner or at cross walks. Teacher supervision is also provided at our major crosswalks. The Community Club rink parking lot is the bus pick up zone after school for our French Immersion busses, and a convenient place for French Immersion parents to meet their children for pick up. We must respect the residents that border the school. Please refrain from turning around in driveways, as this is disruptive to the homeowners.

Just a reminder to all Vickers' families to phone 306-922-6446 or text/email vkattendance@srsd119.ca all absences to the office. To text, enter the email where you would normally add a phone number, create a message, and then send! Please always remember to let us know your students full name! This will eliminate unnecessary phone calls home.

It's June and by the end of this month, your child will have completed another school year. Thank you for helping your child build the habit of good attendance during the 2017-2018 School Year. This will benefit your child throughout school, post-secondary and work.
Great job!
