ALL PROCEEDS TO TELEMIRACLE**

The Honourable Gordon Wyant, Minister of Education, has officially proclaimed February 4-8 French Second Language Education Week in Saskatchewan! Activities celebrating French language and culture have been planned for the week at École Vickers Public School. Students

will be singing traditional songs, practicing their skills on the wooden spoons as well as sharing a snack with our English stream counterparts.

January was the month to celebrate literacy. Since École Vickers has a reading goal, we were excited to continue promoting literacy. We had a Reading Bingo which had so many entries for a class ice cream party. We also had some guest readers in our school. Thank you to Sgt. Travis Willie, the P.A. Raiders and the P.A. Mintos for coming to read to our students.

Three members of the P.A. Raiders read books and answered questions from students. We were impressed that Jeremy Masella could speak fluent French!

Reading Goal Update! We looked at our reading data at the end of January and we are already achieving at 72% mastery/proficiency in our reading goal! Way to go, Vickers!

STAFF APPRECIATION WEEK

Feb. 11- 15th is staff appreciation week. We would like to acknowledge all the hard working staff at Vickers with a week of treats! This has been greatly appreciated in the past and we'd like to do it again! We want the staff to know that they **“Make a World of Difference”** and the treats will reflect this theme. You can help by signing up to send some food to the school one day during that week. Please click on the link attached if you'd like to contribute.

SCHOOL ACTIVITY FEE

If you have not paid your child's School Activity Fees please do so at the office.

This fee is collected to assist in covering the costs of optional activities or events that would enhance the regular school programming and would enrich the education of participating students. Some examples of these are out of school educational experiences, activities, presentations and/or speakers.

The fee is \$10.00 for Kindergarten and \$20.00 for Gr 1-8 & Dev Ed.

School Messenger/Safe Arrival

École Vickers Public School is now using the SafeArrival absence reporting system. Please use the toll-free number, the website, or the SchoolMessenger mobile app to report your child's absence in advance.

The toll free number is: **1-833-309-1241. If you have any questions or trouble reporting an absence please call the office.**

INCLEMENT WEATHER

For the most part, we want our students to enjoy playing outdoors before school, during both recesses, and the noon hour. On rainy days, we allow students to come into the school upon their arrival and remain indoors during all breaks. In the winter, we use -30 degrees Celsius as our cut off to remain indoors. If the temperature and/or wind-chill in combination with the temperature exceed -30, then all students are permitted in the school in the morning and during break times. **We do expect that all students be dressed appropriately for the weather, as there are many cold days that students are expected to be outdoors.**

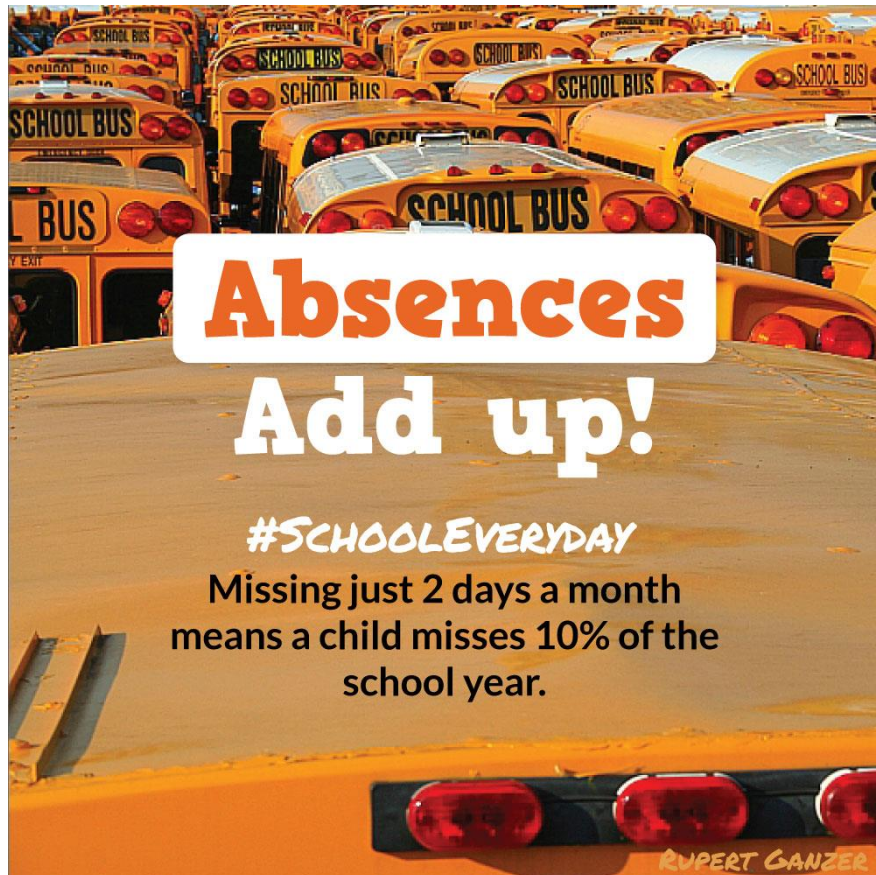

PEDESTRIAN SAFETY

Our parking lots are out of bounds for students. We urge parents to support us in this safety endeavor by dropping off their children on the west side of the school on Olive Diefenbaker Drive; on Bradbury Drive, east of the Special Needs bus zone and between Gisi Road and Olive Diefenbaker Drive. We encourage the children to cross all streets in a safe manner by crossing at the corner or at cross walks. Teacher supervision is also provided at our major crosswalks. The Community Club rink parking lot is the bus pick up zone after school for our French Immersion busses, and a convenient place for French Immersion parents to meet their children for pick up.

We must respect the residents that border the school. Please refrain from turning around in driveways, as this is disruptive to the homeowners.
