A final message from our principal Mrs. Green:

It has been a surreal week here at Vickers. The staff here were heartbroken as we watched students come and collect their belongings. There were lots of tears and still so many unknowns. What we do know without a doubt is that our students are what bring life and energy to our building. We are already missing you and hope that school will resume when things settle down. For now, we have a link below that will bring you to the Vickers webpage that has loads of online learning opportunities. I know many of the Vickers teachers have reached out with some other ones as well.

Some final advice is to read as many books as you can; write in a journal or write a letter; have great conversations; learn some new life skills; play games; go play outside and above all else be safe.

Sincerely,

Mrs. Jennie Green
Principal
