Lunch Hour Plans – Grade 7/8

Dear Parents/Caregivers,

The lunch period at École Vickers School is from 11:40-12:20. The expectation is that students remain at school over the entire lunch period. However, you as the parent/caregiver may want to have alternate arrangements. Please indicate below your child's plan for the lunch hour (check all that apply).

- My child will remain at school every day.
- My child will go home for lunch every day.
- My child has my permission to leave the school at lunch for the 2020-2021 school year.

If there is a day you decide to make a special circumstance different from what you have indicated above, please contact your child's teacher to let him/her know.
