- Student Leadership Council, art club, noon hour yoga, Vickers Voyageurs Outdoor Education, drama club, and Girls Group are just a few of the opportunities available for our students.
- Noon Hour Homework Club for all students to receive extra support in completing outcomes and assignments.
- Take the Lead program to encourage cooperative play at recesses.
- Sports teams – we include all students who would like to participate in sports and Vickers has proven athletic success.
- Online school clothing is available for purchase year-round.
- Snack program, canteen, and monthly hot lunches.
- Four new swing sets were installed in summer 2021; a new play gym and accessible wheelchair swing were installed in 2020, and new slides were installed in 2018.
