Principal's Message 2022-23

Welcome! Bienvenue! I am so excited to begin my 5th year as principal at École Vickers Public School. We have an amazing school community and we are looking forward to engaging our families and creating a joyful learning environment for both teachers and students. Our Backpack Drop was a resounding success and we heard so much positive feedback, we will definitely offer it again next year!

Saskatchewan Rivers Public School Division is committed to literacy and *"Excellence for Every Learner."*

Check out the SRPSD Strategic Plan at https://www.srsd119.ca/wp-content/uploads/BED_RL_SRPSD_Strategic_Plan_August_30_2021.pdf which outlines the division priorities.

The staff at Vickers are dedicated to literacy and have high expectations for our students. Our math goal is in its third year of implementation and we have a focus on high-impact strategies to improve our math literacy. Our teachers loved reading the book, *Building Thinking Classrooms*, and have applied many of the great ideas from it. We have two math coaches in our school, Mrs. Bergen and M. Mugford, who are strengthening teacher capacity and supporting student learning.

Our admin team changed over the summer – welcome to M. Jérémie Vogt, our new vice-principal. Mr. Tyler Kuzma continues in his third year as vice-principal. Our team is ready to serve our school community and create a school culture that is safe, caring, and learning-focused.

Parent engagement in school is crucial to your child's success. We always appreciate your input so please feel free to call or email us to share your thoughts and questions. Two important things you should sign up for:

1. **EDSBY** – this is the platform for all teachers to do daily attendance, enter grades, share posts about learning that is occurring in the classroom, and a communication tool between parents and teachers. You will even use this to book your parent-teacher conferences and view report cards. An invitation to sign up will be sent to your email.
2. **School KEV** – the online method for paying all things school related – sign up with the link provided to pay school activity fees, hot lunches, field trips, etc. It only takes minutes to set up – and I promise you will never forget another hot lunch or the deadline for a payment!

We are working on a new online newsletter format – our hope is to have it out for October. It has many great features including a translator option for different first languages.

I wish everyone a successful 2022-23 school year filled with exciting new learning opportunities!

École Vickers Public School Picture Day

Picture Day is fast approaching for the 2022-23 school year. Our school picture day will again run over two days this year, **Monday, September 26 and Tuesday, September 27** (schedules to follow). Proofs will come a few weeks after Picture Day and will be distributed to each student to take home and order pictures. There will be two ways to order pictures;

1- Return the paper envelope to school with payment by the given date. Shipping will be free as long as envelopes are returned by the designated day written on the envelope and picture orders will be delivered to the school.

2- Order online following the instructions provided on the proofs package. Shipping will be free and picture orders will be delivered to the school, as long as, the order is placed within the first 40 days after the proofs have been handed out. If the order is placed after the first 40 days, you will have to pay shipping fees and the picture will be shipped to your home address rather than the school.

If your child misses Picture Day or needs re-takes there will be a re-take day on **Thursday, October 28**. Lifetouch has notified the school that if your child needs re-take pictures they will likely not be able to distribute pictures before Christmas break.

The library is excited to welcome students back! Library visits and book borrowing will begin on Tuesday, September 6.

École Vickers Public School Library is full of wonderful reading choices for our students and classrooms! We are excited to offer selections for students to read and enjoy as they return to the building and our school community.

If any École Vickers Public School Library material was found at home, please return it to the library. Misplaced materials often find their way into backpacks and homes. Each classroom has a regularly scheduled library visit, please help encourage the exploration of library books and their return. It is always exciting to read something new and explore the library!

Watch for upcoming dates and times for the November Scholastic Book Fair!

SCHOOL ACTIVITY FEE

If you have not paid your child's School Activity Fees please do so at the office.

This fee is collected to assist in covering the costs of optional activities or events that would enhance the regular school programming and would enrich the education of participating students. Some examples of these are out of school educational experiences, activities, presentations and/or speakers.

The fee is \$10.75 for Kindergarten and \$21.00 for Gr 1-8 & Dev Ed.

School Messenger/Safe Arrival

École Vickers Public School is now using the SafeArrival absence reporting system. Please use the toll-free number, the website, or the SchoolMessenger mobile app to report your child's absence in advance.

The toll-free number is: 1-833-309-1241. If you have any questions or trouble reporting an absence, please call the office.

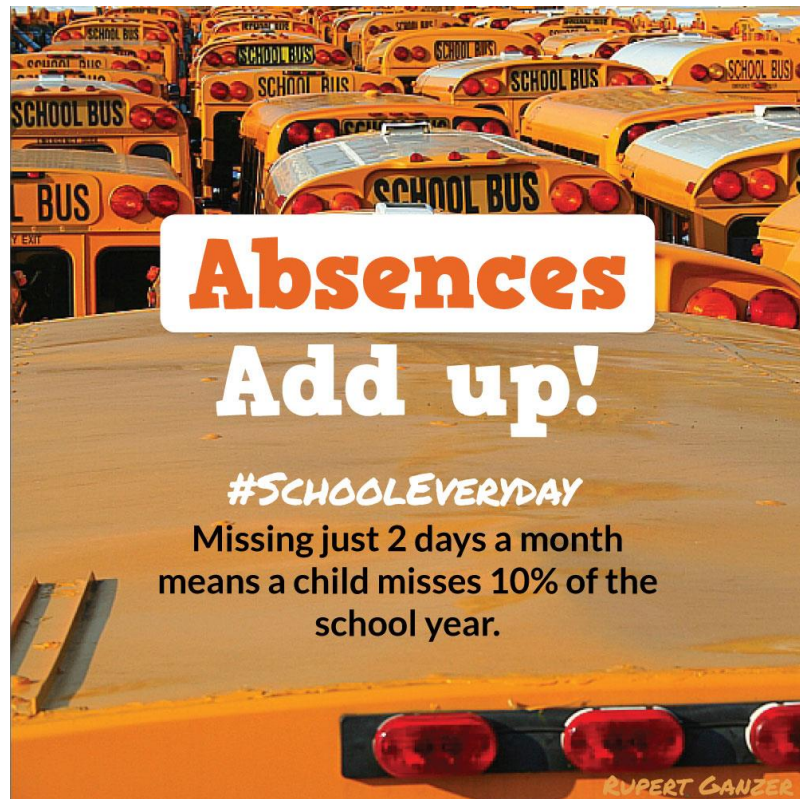

PEDESTRIAN SAFETY

Our parking lots are out of bounds for students. We urge parents to support us in this safety endeavor by dropping off their children on the west side of the school on Olive Diefenbaker Drive; on Bradbury Drive, east of the Special Needs bus zone and between Gisi Road and Olive Diefenbaker Drive. We encourage the children to cross all streets in a safe manner by crossing at the corner or at cross walks. Teacher supervision is also provided at our major crosswalks. The Community Club rink parking lot is the bus pick up zone after school for our French Immersion busses, and a convenient place for French Immersion parents to meet their children for pick up.

We must respect the residents that border the school. Please refrain from turning around in driveways, as this is disruptive to the homeowners.
